this work demonstrates that not everything that disney touched turned to gold in its first 100 years the company had major successes that transformed filmmaking and culture but it also had its share of unfinished projects unmet expectations and box office misses some works failed but nevertheless led to other more stunning and lucrative ones others shed light on periods when the disney company was struggling to establish or re establish its brand in addition many disney properties popular in their time but lost to modern audiences emerge as forgotten gems by exploring the studio s missteps this book provides a more complex portrayal of the history of the company than one would gain from a simple recounting of its many hits with essays by writers from across the globe it also asserts that what endures or is forgotten varies from person to person place to place or generation to generation what one dismisses someone else recalls with deep fondness as a magical disney memory

this anthology of short autobiographical stories has kids book authors telling tales of their own real life athletic incidents some are funny some are serious and some put their own twist on the whole sports concept eight stories from both boys and girls include tales of dodgeball wrestling track softball and ballet kids will relate to the struggling non jocks as well as the athletes who take the trophy home
